PeerPal

Connect.Learn.Thrive.

Overview:

PeerPal provides its users with an opportunity to find the ideal mentor for them. They just have to answer a few questions and our app finds them a mentor based on their choices and interests.

- User Friendly
- Modern layout
- Well organised

Design process

Competitive analysis

Understanding the ideology of users through surveys and questionnaire sessions. Identifying the competitors and their strengths and weaknesses.

information architecture

Intuitive navigation and streamlined user flows Enhancing the engagement and making the search process simple

Wireframe

Enhanced user experience with intuitive profile browsing and with seamless communication.

UI

Sleek design elements merge with intuitive navigation.

Test

Our app tests ensure seamless functionality and intuitive user experiences all over the world.

Sketch

Users can swipe through profiles effortlessly, sparking connections with ease.

Competitive analysis

Company	Strengths	Weaknesses
unacademy	1. Good faculty 2. Good interface 3. User friendly 4. Cost-effective	1. Absence of one-on-one mentorship 2. Not interactive
BYJU'S	1. Good visuals 2. Learning through animations.	1. Lack of good faculty 2. Not a user-friendly interface. 3. Not interactive
Vedantu	1. Good faculty 2. Classroom environment 3. Cost-effective	1. Not interactive 2. Outdated education procedure.

Holistic mentorship:

A unique feature that our project offers is that
it provides the best mentors from all over the world
for almost everything.
Be it studies or competitive exams, life advices or entrepreneurship guidances, we provide a mentor for every sphere of life where mentorship has even slightest of scope.
